Dear Mr. Carroll,

The District is in receipt of your California Public Records Act request, dated August 3, 2019, and received in our Office August 5, 2019, for records related to fare evasion and fare gate modifications.

Records responsive to your request are attached.

The District is continuing the process of reviewing its files for documents that are responsive to your request. This letter will serve to advise you that, to the extent the records you have requested exist in the District's custody and are not legally exempt from disclosure, they will be made available to you.

The District estimates the next set of documents will be available by September 18, 2019.

We will notify you of the availability of the records and the cost associated with providing copies to you. Thank you for your patience.

Sincerely,

A handwritten signature in blue ink that reads "Patricia K. Williams".

Patricia K. Williams
District Secretary
